UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

U.S. EQUAL EMPLOYMENT
OPPORTUNITY COMMISSION,

Plaintiff(s),

v.

KVP, LP, et al.,

Defendant(s).

Case No. 2:23-cv-01308-JCM-EJY

Order

[Docket No. 21]

Pending before the Court is a stipulation to continue the early neutral evaluation to March 2024. Docket No. 21. The stipulation fails to elaborate on why a two-week delay provides any meaningful difference in terms of the ability to prepare for the early neutral evaluation or to investigate the claims. *See id.* at 2. As a courtesy to the parties, however, the Court will **GRANT** the stipulation. Accordingly, the early neutral evaluation is hereby **RESET** for 10:00 a.m. on March 11, 2024. Evaluation statements must be submitted by 3:00 p.m. on March 4, 2024.

IT IS SO ORDERED.

Dated: January 18, 2024

Nancy J. Koppe
United States Magistrate Judge
